

# Being Friends Together

Ways of Working > Guidelines for Facilitators

## Group learning agreement - children

Before we get started we want to think about how this group is a safe and happy place for us all to be and enjoy doing things together.

We will now think of ways we can look after each other and write them down on a large sheet of paper. We need to draw out things like:

- Listening to each other
- Not telling people's secrets to everyone
- Being kind to each other
- Not hurting each other with unkind words or hitting each other
- Let everyone have a chance to speak or offer their ideas
- Ask questions
- Not leaving the room except for going to the toilet
- Being here on time for sessions
